

Loctite® 50ML-F Squeeze Dispenser Part Number 1083845

Step 1. Lift plastic catch and fold down tray.

Step 2. Drop in the adhesive package. Return the tray to original position and snap catch back into place.

Note: When dispensing PST products from a ribbon tipped package, remove nozzle adapter and place it into the nozzle adapter holder located on the underside of tray.

Step 3. Dispense product by squeezing trigger.
