Henkel

Quality for Professionals

PRODUCT BENEFITS

Polyshield DPC HD provides a great barrier against the passage of moisture or water from the exterior to the interior or from the ground to the structure.

Polyshield DPC HD can be used for horizontal or vertical damp proof course applications

POLYSHIELD DPC HD

Heavy Duty Bituminous Damp Proof Membrane

Polyshield HD is a heavy duty bitumen Damp Proof Membrane laminated on to a multi layer high density high tensile polyethylene film.
