BOLD COLOR WASHES

Instructions for use

As **intense** as it gets.

Schwarzkopf Professional Bold Color Washes deliver bold, vibrant shades with minimum effort and impressive longevity results. Available in 4 versatile shades, these highly pigmented sulfate-free* washes add colour, intense shine and gently cleanse, in one simple step.

APPLICATION

Do not use developer.

Apply directly on dry or towel dried hair for intense bold colour effects.
Apply on dry hair for Creative Techniques and multi-tonal effects.
Allow visual eye control.

INSTRUCTIONS FOR USE

- Hair Base:** Colour hues on light brown bases
Bold colour on pale blonde and pre-lightened hair
- Processing Time:** up to 20 min - allow visual eye control**
- Rinsing:** Rinse & condition with a leave-in conditioner if required.
- Colour effects last:** Colour result and longevity vary depending on hair condition and processing time

NOTE

Use professional gloves, protect clothing, surface and skin from staining and discoloration.

EXPERT TIP

Reduce processing time to create a **Softer Version** of each shade. Allow visual eye control.

For **Color refresh**, dilute the desired shade in water (1:1) and process for 2-3 minutes.

* SLS/SLES Sulfates: Sodium Lauryl Sulfate & Sodium Laureth Sulfate

** If necessary extend processing time for even stronger pigment depositing
