

MAKE YOUR OWN ADVENT CALENDAR

STEP 1 Colour or decorate Santa's face and hat on the template provided and carefully cut them out.

STEP 2 Then, using your Pritt Stick, glue your hat to the top of Santa's head.

STEP 3 Glue a large cotton ball to the tip of the hat. You could even add more cotton balls around the trim to add texture!

STEP 4 Using your scissors, carefully cut a long beard shape from white paper or card, or use the template provided, and glue to Santa's face.

STEP 5 Write the dates of the month leading up to Christmas on the beard. Remember, there are 25 days leading up to the big day!

STEP 6 Finally, using ribbon or string, hang up your calendar and set a bowl of cotton balls and a Pritt Stick nearby to tick off each day on the countdown to Christmas!

Why not?

Use a variety of recycled items to make your calendar as colourful and reflective as possible, like foil and sweet wrappers or even old Christmas cards!
