Mood Board for the Young Creative Talent & Creative Talent Categories only

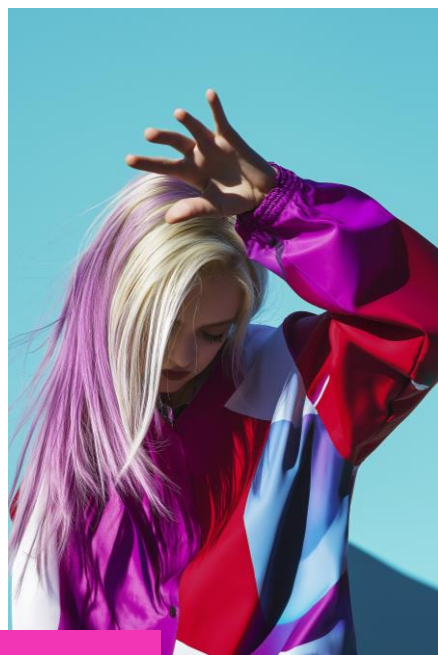

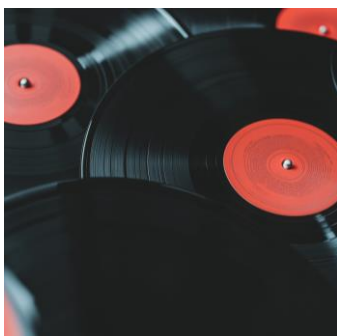

COLOR TALENT AWARDS 2025

Push the boundaries of creative color placement with bold contrasts, sharp transitions, and high-impact tones. Use avant-garde techniques to enhance the cut's precision and movement.

Graphic color blocking, unexpected pairings, or modern twists on classics are encouraged. The final look should be fearless yet maintain hair health and integrity.

This mood board serves as a creative guide for this category, providing inspiration rather than a blueprint. Participants are encouraged to interpret the concept in their own way rather than directly replicating the styles shown.
