

1700

**A Workhorse
For High-Traffic
Facilities**

Professional Grade Dispenser and Refills

- Strong and durable - the Dial® 1700 dispenser features the largest refill capacity from Dial® Professional
- #1 Dr. Recommended Antibacterial Hand Soap Brand
- Dispenser features heavy-duty ABS plastic construction
- Innovative pump design provides thick, rich foam

70% MORE VOLUME
vs 1.0 L dispensers

High capacity dispenser system with Dial® branded hand care products designed for high-traffic areas

- Dial® 1700 holds 70% more volume versus 1.0 L dispensers, reducing refill changeover and total labor costs
- Premium pump design delivers precise activations
- Operation of dispenser is ADA compliant, allowing dependable use in high-traffic areas

Clean Tip™ Technology

Cleans the pump tip after each use to minimize drip risk
