Mix FIBREPLEX No.1 and lightening or colour product well, apply and process according to the instructions for use. Rinse off and shampoo the hair with FIBREPLEX Shampoo. Apply the required amount of FIBREPLEX No.2 Bond Sealer, approximately twice the amount of No.1. Leave for 5-10 minutes, rinse thoroughly and style the hair as usual. On thick and coarse hair reduce the amount of FIBREPLEX No.1 in the mixture by 50%.

Mix FIBREPLEX No.1 with water, shake and apply. Apply FIBREPLEX No.2. Shampoo with FIBREPLEX Shampoo, rinse thoroughly.
