NEW IGORA VIBRANCE®

Schwarzkopf®
PROFESSIONAL

LEVEL 10 TONERS

- New formula with balanced pigment combinations for optimal, subtle and clear color results
- Easy to apply and distribute on the hair, allowing for a quick backwash bottle application
- Lasts up to 6 shampoos
- With FibreBond Technology integrated for healthy-looking, beautiful blonde results
- Visibly improves the quality of the hair's appearance*
- Up to 70% fewer split ends and up to 75% less hair breakage **
- Leaves the hair feeling soft and easy to manage ***

Use the IGORA VIBRANCE Level 10 Toners to:

- create beautiful, soft pastel tones
- neutralize unwanted warm tones
- refresh 100% white hair

TIPS & TRICKS

- Only use the IGORA VIBRANCE Activator Lotion or Gel 1.9% (6 Vol.) with the IGORA VIBRANCE toners
- For best results tone on level 10 prelightened hair
- Mix the IGORA VIBRANCE Boosters with the IGORA VIBRANCE toners to provide stronger, cool tonal directions or to boost fashion tones

* vs. lightener without toning

** when used with lightener and FIBRE CLINIX® care ranges vs. untreated hair

*** in combination with recommended FIBRE CLINIX® care range
