

Everything  
you can imagine

# CRAFTING BOOK

# LET'S MAKE AN ANIMATED CARD

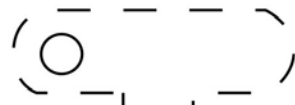

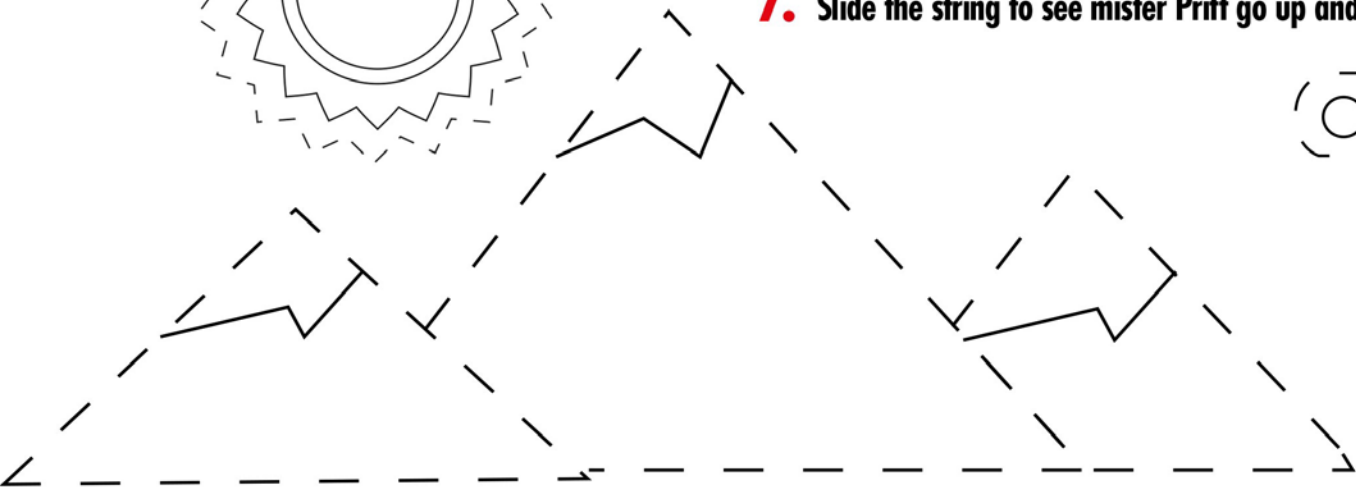

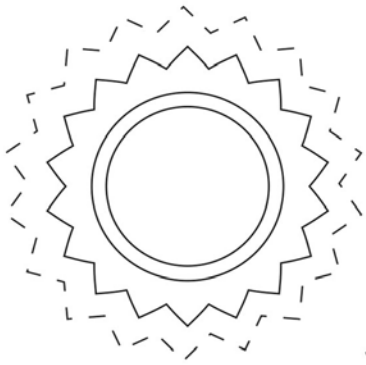

## WHAT YOU NEED:

- Glue stick
- Scissors
- Perforating machine
- Twine
- Felt pens / colored pencils

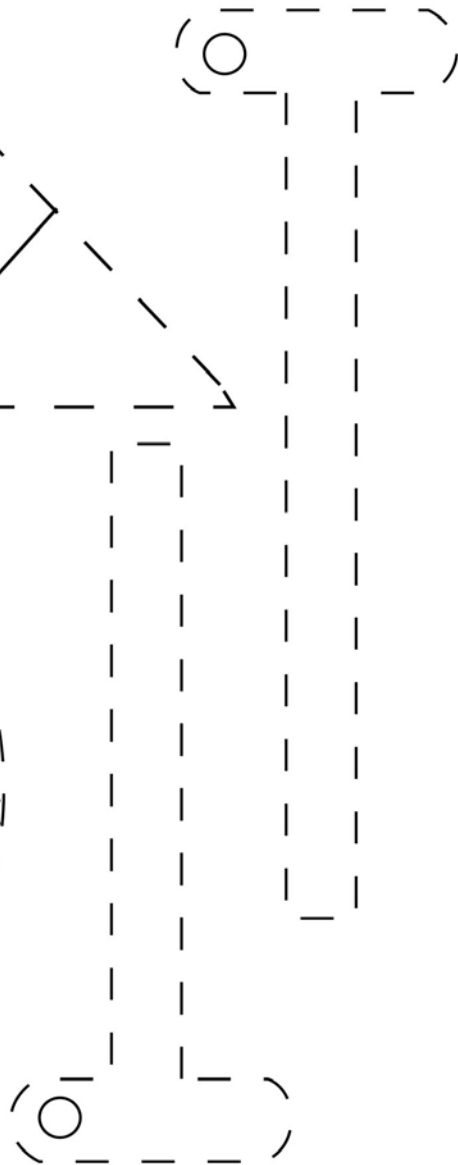

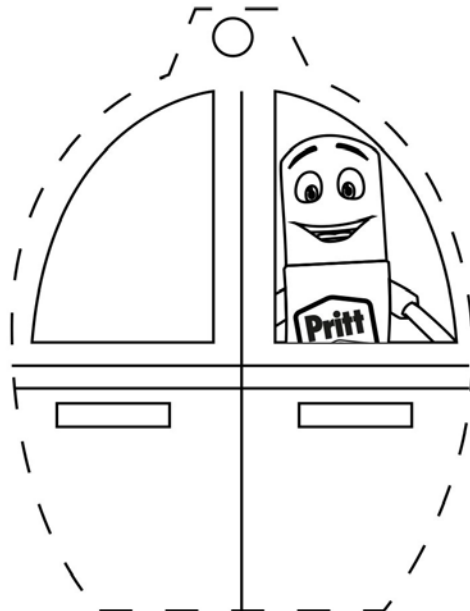

## HOW TO STEPS:

1. Print the background and decor elements
2. Color the elements of the decor and cut them out
3. Glue them on the background
4. Make two holes on the sheet in place of the two black dots
5. Tie the string through the holes
6. Stick mister Pritt to the string
7. Slide the string to see mister Pritt go up and down

### TIP

This is a great custom gift option for a friend!

# LET'S MAKE A SAILBOAT

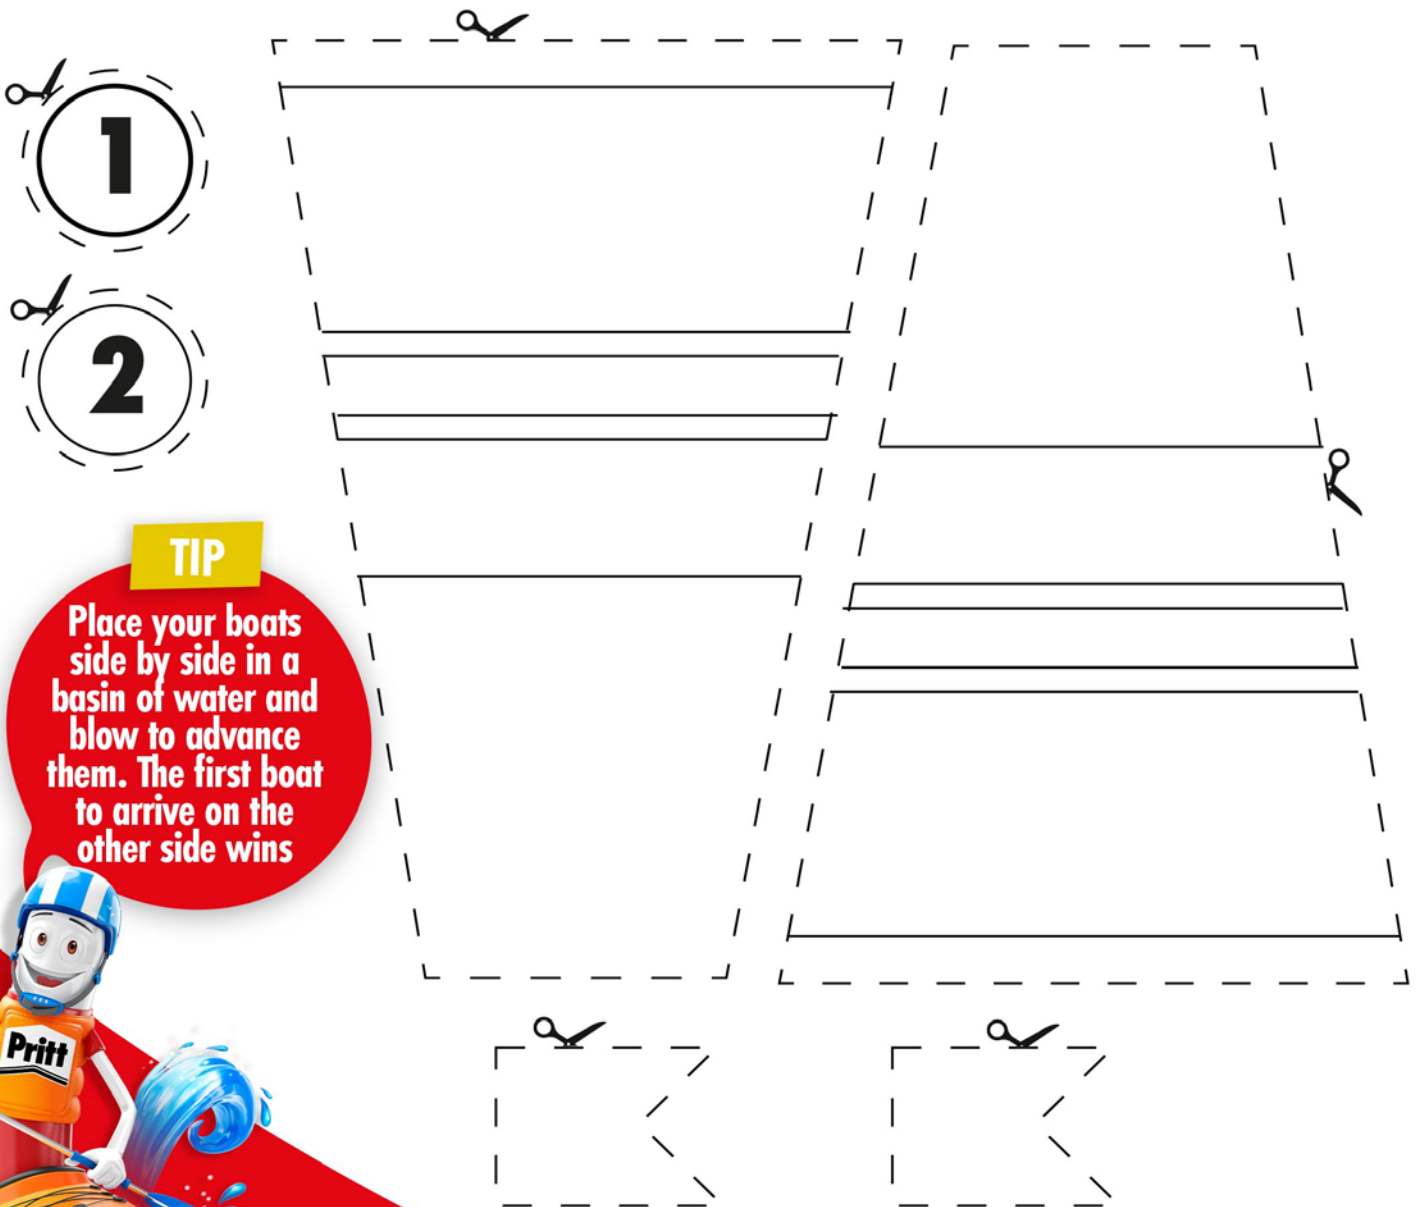

## WHAT YOU NEED:

- Cork caps
- Paper
- Scissors
- Skewer pick

## HOW TO STEPS:

1. Glue the three caps together
2. Stick the skewer in the middle cap
3. Cut the paper into a triangle shape to create the sail, and another to form a flag
4. Glue the sail and the flag on the skewer

### TIP

Place your boats side by side in a basin of water and blow to advance them. The first boat to arrive on the other side wins

# LET'S MAKE A PAPER WINDMIL

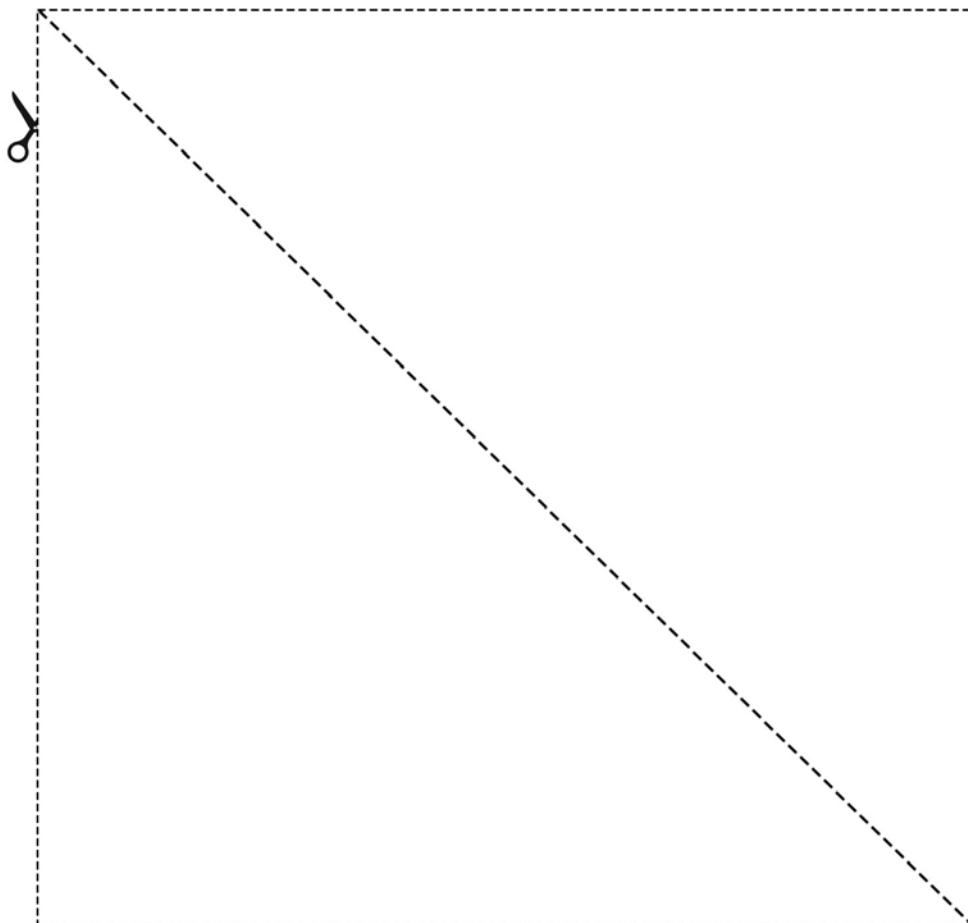

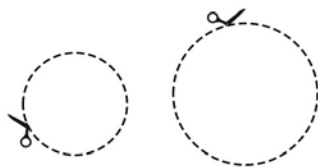

## WHAT YOU NEED:

- Paper
- Scissors
- Ruler
- Pencil
- Pritt glue stick
- Push pins
- Paper straw

## HOW TO STEPS:

- 1.** Cut your paper into a 15cm x 15cm square
- 2.** Find the center of the square by drawing cross lines from one corner to the opposite
- 3.** Use a ruler to measure and mark 3cm from the center point to a corner and repeat the process, cut from the corner along the line until you hit the 3cm mark
- 4.** Apply glue stick around the center point, grab one corner and paste it to the center after apply more glue on top and do the same for the other corner
- 5.** Use the push pin to poke through the straw, and the center of the wheel
- 6.** Connect the wheel to the straw by using the push pin

### TIP

Go outside and see which way the wind is blowing!

# LET'S MAKE BINOCULARS

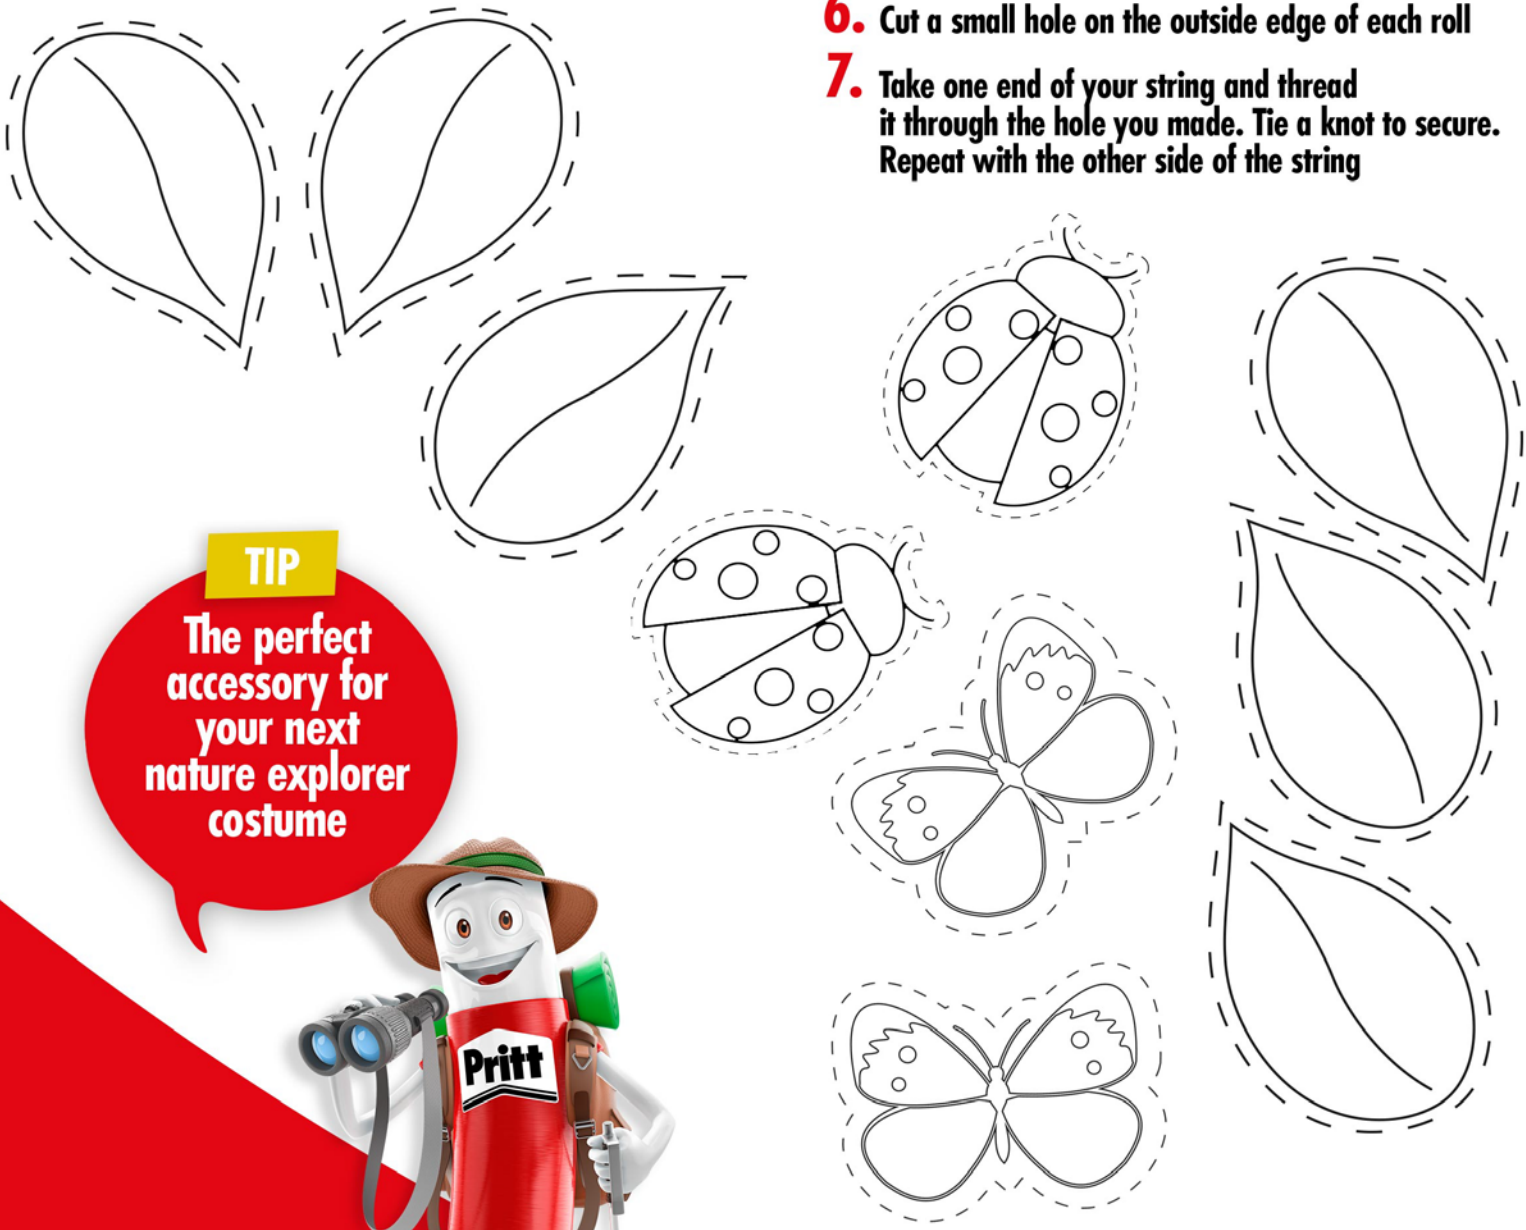

## WHAT YOU NEED:

- 2 empty toilet paper rolls
- Scissors
- Pritt liquid white glue
- String
- Paper
- Decorating supplies: markers, crayons, stickers...

## HOW TO STEPS:

- 1.** Connecting your toilet paper rolls with the white glue Pritt
- 2.** Wait for the glue to dry before continuing to the next step
- 3.** Wrap the paper around the width of the binocular.
- 4.** Use glue dots to secure it around the rolls.
- 5.** Decorate your binoculars however you choose
- 6.** Cut a small hole on the outside edge of each roll
- 7.** Take one end of your string and thread it through the hole you made. Tie a knot to secure. Repeat with the other side of the string

### TIP

The perfect accessory for your next nature explorer costume
