

# BLONDME LIFT & BLEND

## VIRGIN HAIR APPLICATION

### STEP 1:

Apply the freshly mixed colour creme in fine sections onto mid-lengths and ends using a generous quantity of product. Avoid the first 2cm of the root area.

### STEP 2:

Leave to develop for 10-15 minutes. Continue with the application on the root area. Leave to develop for 30-45 minutes.

### STEP 3:

After development rinse until water runs clear and follow up with BLONDME Post Colour Bond Creation Service.

## ROOT RETOUCH APPLICATION

### STEP 1:

Section in 4 parts.

### STEP 2:

Apply Lift & Blend Ice-Irisè + Sand (1:1) + Dev. 9%/30Vol. (1:1) on the root area. Apply section by section. Leave for 45 minutes.

### STEP 3:

Dampen mid-lengths and ends with 100ml water and emulsify with Lift & Blend mixture. Leave for 2-3 minutes. Rinse.

### STEP 4:

Shampoo with ALL BLONDES Light Shampoo and treat with ALL BLONDES Rich Conditioner for up to 2 minutes. Rinse.

### RECOMMENDATION:

Use the BLONDME Bond Enforcing Blonde Toning afterwards to enhance mid-lengths and ends.

Use BLONDME Bond Enforcing Lift & Blend for sophisticated Blonde Looks with up to 4 levels of lift and optimal white blending results on mature hair.
