

# GET CRAFTY FOR CHRISTMAS

This Christmas, Pritt wants to help you get into the festive spirit! A downloadable crafting guide has been created to help you get started at home. Let's keep children learning, growing and crafting at Christmas!

# MAKE YOUR OWN ADVENT CALENDAR

**STEP 1** Colour or decorate Santa's face and hat on the template provided and carefully cut them out.

Then, using your Pritt glue stick, glue your hat to the top of Santa's head.

**STEP 2**

**STEP 3**

Glue a large cotton ball to the tip of the hat. You could even add more cotton balls around the trim to add texture!

**STEP 4**

Using your scissors, carefully cut a long beard shape from white paper or card, or use the template provided, and glue to Santa's face.

**STEP 5**

Write the dates of the month leading up to Christmas on the beard. Remember, there are 25 days leading up to the big day!

**STEP 6**

Finally, using ribbon or string, hang up your calendar and set a bowl of cotton balls and a Pritt glue stick nearby to tick off each day on the countdown to Christmas!
