

# USE eACADEMY LIKE AN APP!

How to add eAcademy to your home screen.

## Android (Chrome):

1. Go on the welcome page of the eAcademy
2. In the top right-hand corner click on the 3 dots, scroll down and find **add to home screen**
3. You can change the name to whatever you would like and simply click **add** in the top right-hand corner
4. It can now easily be found on your home screen!

FOR EVERY YOU.
