USE eACADEMY LIKE AN APP!

How to add eAcademy to your home screen.

Schwarzkopf
P R O F E S S I O N A L
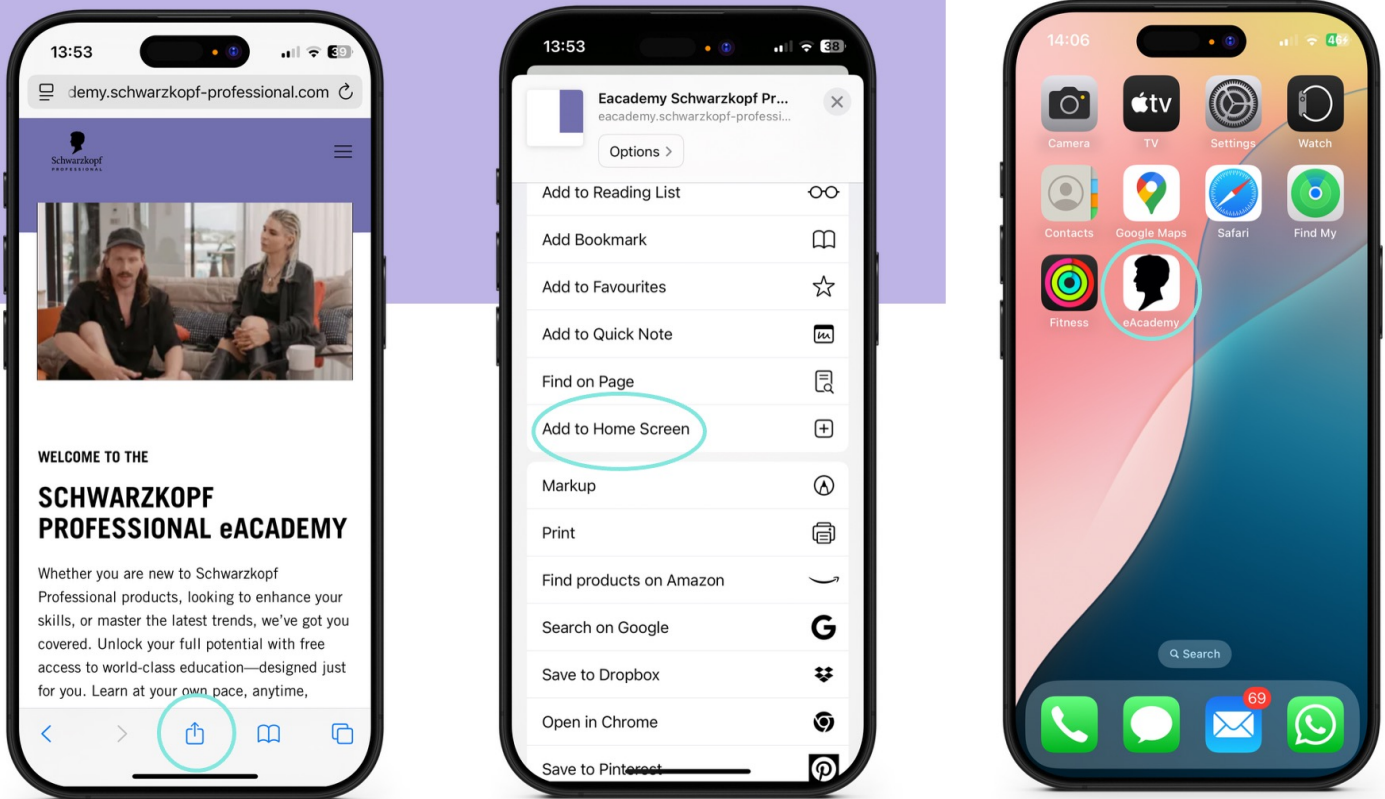

iPhone (Safari):

1. Go on the welcome page of the eAcademy

2. Click on share, centre-bottom, scroll down and find **add to home screen**

3. You can change the name to whatever you would like and simply click **add** in the top right-hand corner

4. It can now easily be found on your home screen!

FOR EVERY YOU.
