- You will need:
- Pritt Glue Stick
 - 1 toilet paper roll
 - A pair of scissors
 - Paint, crayons or coloured markers

Instructions:

1. Colour in the paper roll. Fold the upper edges of your toilet roll in. Join the folds so that a sharp angle appears at the sides.

2. Cut out & colour the eyes & glue them to the center of the roll.

3. Colour, cut & fold bat wings. Glue the bottom of the wings back to back. Leave the top open like a fan.

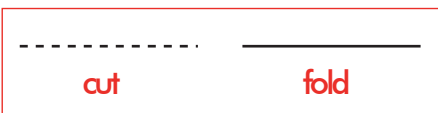

4. Glue your bat wings on either side of the roll.

- You will need:
- Pritt Glue Stick
 - A pair of scissors
 - Paint, crayons or coloured markers

Instructions:

1. Cut out the template, paint or colour in orange and leave to dry.
2. Once dry, cut out the three strips, place in circular arrangement & glue the centre of each strip to the one above.
3. Join the top of each strip to one another & glue in place.
4. Cut out & paint or colour the leaves & glue to the top of the pumpkin.
5. Cut out & paint or colour the stem strips, overlap & glue the ends of each. Fold each strip over the other until the end & glue in place on top of the pumpkin leaves.**
