

**HENKEL**  
**SUSTAINABILITY**  
DAYS 2022

CONFERENCE **GUIDE**  
NOV 30 – DEC 1, 2022

## Welcome to the **Global Sustainability Conference** for the Packaging and Consumer Goods Industry.

First-class industry experts will share their knowledge and give insights on the following topics:

**Circularity, Footprint, Regulations & Reporting and Trends, Challenges & Opportunities.**

This year we will reach even more attendees around the globe, by involving three broadcasting studios:

**Duesseldorf (Germany), Stamford (USA), Shanghai (China).**

The first day of our conference (Nov 30, 2022) will be dedicated to attendees in Europe and The Americas, while the second day (Dec 01, 2022) will focus on Asia-Pacific, IMEA and Europe.

In addition to presentations and panel discussions we will offer virtual networking sessions to get in direct contact with the speakers and attendees.

After the event you can watch recordings of the presentations in our media library at any given time.
