

October 2019

Dear Valued Customer

**Rejuvenated Anaerobic Bottles**

Since the inception of LOCTITE® anaerobic product range, Henkel has partnered with you to make the assembly and maintenance world more reliable and provide solutions for today’s manufacturers. In the process, the LOCTITE® bottle has become an iconic symbol for quality, high performance and innovation in adhesives technology.

To reinforce LOCTITE®’s promise for quality, reliability and our best in class sales and technical support, Henkel will be launching a new bottle design for LOCTITE® anaerobic product range, creating a unique brand identity across the globe. In addition, to simplify and ensure consistency of LOCTITE® brand globally, we will be making some minor cosmetic updates to our labels for all LOCTITE® Anaerobic products starting 2020. Product formulation, performance and ordering part number (IDH) remains the same. Below quick guide for your reference:

SUBJECT	DETAILS
<b>Product Group:</b> <b>Anaerobic Adhesives**</b>	<ul style="list-style-type: none"><li>• Threadlocking, Thread Sealing, Gasketing and Retaining Compound</li><li>• 2-step Structural Acrylic</li></ul> <p>** Refer attachment (a) for complete list of impacted IDHs</p>
<b>Affected Packaging:</b>	50ml and 250ml bottle
<b>Bottle Reference:</b>	Illustration (b)
<b>Label Reference:</b>	Illustration (c)
<b>Effective Date:</b>	Starting January 2020 with transition through Q2 2020

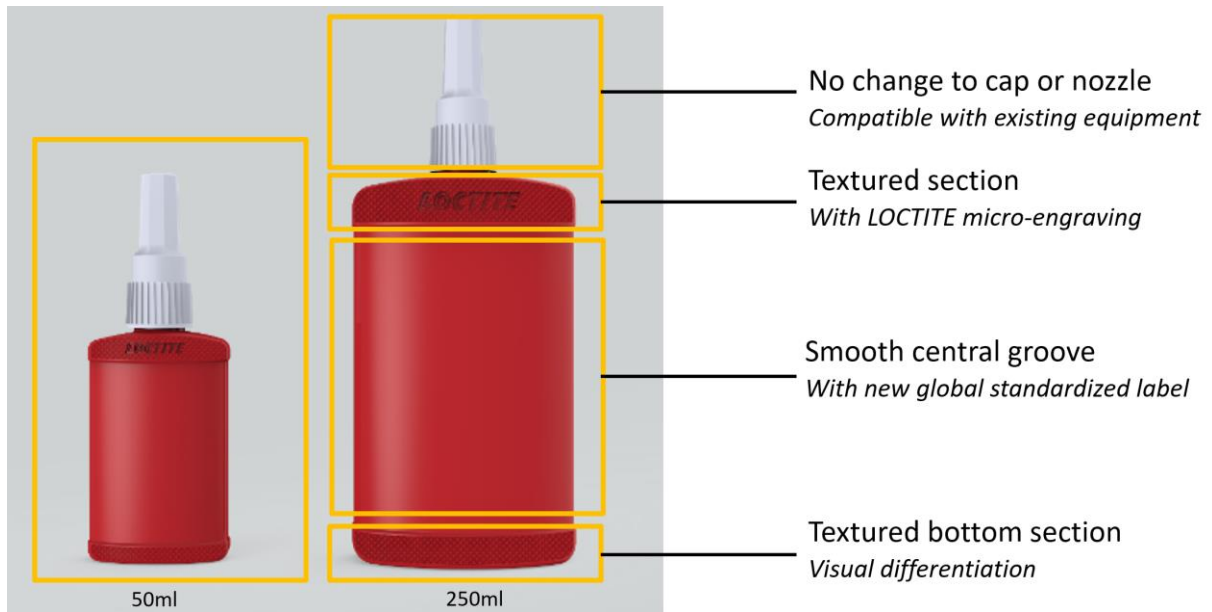

Should you have any concerns that need to be addressed promptly regarding this matter, kindly contact your local Henkel sales representatives for immediate support.

Henkel appreciates and values your business relationship, and we look forward to your continued support in our products.

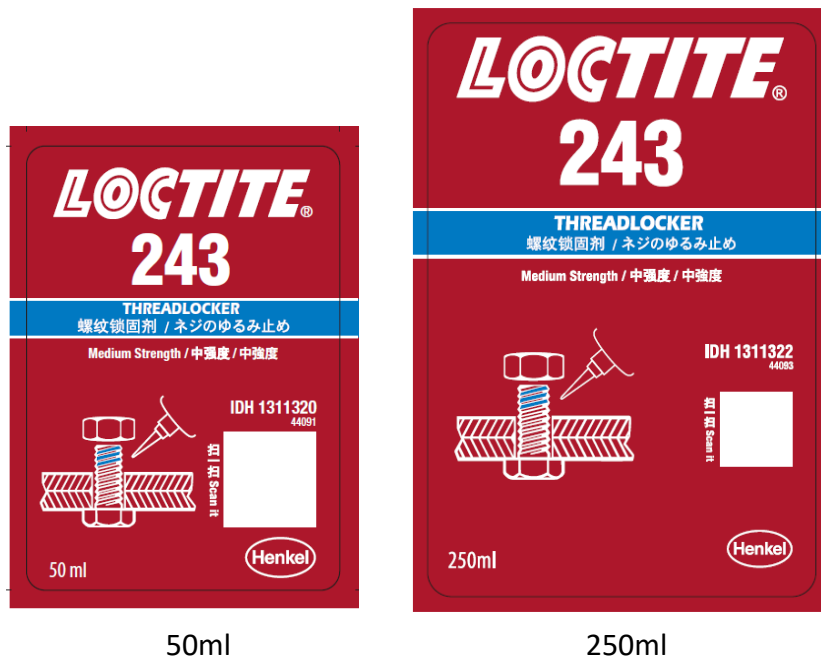

Best Regards  
Henkel Asia Pacific
