DESCRIPTION

LePage® Glue Stick comes in an easy to use twist applicator that is handy for pocket, desk or briefcase. The quickest way to bond paper, cardboard or fabric. LePage® Glue Stick will not wrinkle paper, dries clear and is clean and neat. It is safe for children and is water washable.

RECOMMENDED FOR:

Home, school, or office. Bonds paper, cardboard, fabric, and polystyrene. Use for paper crafts, scrapbooks, decorations, recipe books, tacking sewing patterns, sealing envelopes, wrapping packages and gifts, attaching labels and mounting photos.

NOT RECOMMENDED FOR:

Applications subjected to high humidity or water.

FEATURES & BENEFITS:

Feature	Benefits
Non-toxic.....	Safe for children
Clean and neat.....	No spills, drips or mess
Dries clear and colourless.....	Invisible bond
Air-tight "snap-lock" cap.....	Minimizes drying out of glue stick
Acid-free.....	Archival-safe

Size	Package Format	Item #
10 g	Bulk	668409
20 g	Bulk	665171
20 g	Carded	1506134
40 g	Bulk	646239
40 g	Carded	646240

DIRECTIONS

Preparation:

Remove cap and turn base to extend stick.

Application:

Apply with firm strokes over surface to be bonded. For stronger bond, apply to both surfaces. Join and press together. After use, turn base to retract stick. Replace cap.

Clean-up

Water washable. Separation of bonded paper may be aided by steam.

STORAGE AND DISPOSAL

Ideal storage conditions are between 5°C and 50°C. Not damaged by freezing. Warm stick until soft enough for easy spreading. Temperatures greater than 60°C will cause glue stick to soften and deform. Place empty glue stick container with plastics for recycling. Unwanted glue stick may be disposed with trash.

LABEL PRECAUTIONS

Refer to the Material Safety Data Sheet (MSDS) for further information

DISCLAIMER

The information and recommendations contained herein are based on our research and are believed to be accurate, but no warranty, express or implied, is made or should be inferred. Purchasers should test the products to determine acceptable quality and suitability for their own intended use. Nothing contained herein shall be construed to imply the nonexistence of any relevant patents or to constitute a permission, inducement or recommendation to practice any invention covered by any patent, without authority from the owner of the patent.
