Technical Data Sheet  
Revision: 3  
Issued: 30.07.2018  
Number of pages: 2

## Pattex Wallpaper 50g & 200g

### Description:

Starch based Wallpaper Adhesive

### Application:

Designed for use with heavy, normal backed vinyl and other special wallpapers.

### Technical data:

mixing ratio:	15:1 with water
working time:	± 15-20 min.
curing time:	± 24 hours
solution viscosity:	± 10 000 mPa's @ 25 °C

### Directions for use:

- Remove any old wallpaper and clean the surface thoroughly. Clean painted surfaces with a wire brush or coarse sandpaper.
- Sprinkle contents of sachet into water (normal temp.) while stirring continuously. Allow to stand. After 15 minutes mix thoroughly again.
- Apply Pattex Wallpaper Adhesive solution (with brush or trowel) to reverse side of wallpaper and hang (place and position) wallpaper. Then with a sponge or soft wet cloth, smooth and press wallpaper against the wall.

### Clean up:

Spillages can be cleaned with soapy water.

### Storage:

Store in a cool, dry place. Ideal storage temperature would be 15 °C - 30 °C.

### Shelf life:

24 months in unopened container, if stored correctly.

**Pack sizes available:**

12 x 200 g sachet

12 x 50 g Sachet

**HEALTH AND SAFETY**

Before using the product please see related Material Safety Data Sheet that is available on request.

“The information provided in this Technical Data Sheet (TDS) including the recommendations for use and application of the product are based on our knowledge and experience of the product as at the date of this TDS. The product can have a variety of different applications as well as differing application and working conditions in your environment that are beyond our control. Henkel is, therefore, not liable for the suitability of our product for the production processes and conditions in respect of which you use them, as well as the intended applications and results. We strongly recommend that you carry out your own prior trials to confirm such suitability of our product. f.

Any liability in respect of the information in the Technical Data Sheet or any other written or oral recommendation(s) regarding the concerned product is excluded, except if otherwise explicitly agreed and except in relation to death or personal injury caused by our negligence and any liability under any applicable mandatory product liability law.”
